AccroNex

BUILD BEYOND LIMITS.

Where student talent meets real-world technology, innovation and opportunity.

Organized by Accron Revolutions • In collaboration with University of Vavuniya • 5–6 November 2026

ABOUT THE EVENT

AccroNex 2026 at a Glance

AccroNex is a two-day university hackathon organized by Accron Revolutions in partnership with the University of Vavuniya. Selected student teams build real technology solutions under mentorship, then pitch to an industry judging panel — giving sponsors direct, high-visibility access to the region's emerging technology talent.
